Casper, WY 82601

Dear Mr. Keating:

On November 7, 2017, property owners within the Casper Downtown Development Authority (DDA) District passed a four-year, 16 mill levy on the assessed valuation of real property within the DDA District, excluding real property used exclusively for residential purposes. This four-year assessment began with the tax year 2018 and continues through 2021.

For the 2019 tax year, the Casper DDA requests Natrona County assess Casper DDA District property for the full 16-mills.

Please contact me if you require additional information.

Thank you for your assistance and support

S-A BUDGET MESSAGE W.S. 10-4-104(d)

2018 Treatment season was successful with 453 acres Deeded, 169 acres BLM, and 48 acres State lands treated. 80% of that was boots on the ground, backpack work at 6 backpacks to the acre for an estimated 3,216 backpacks humped through some of the roughest ground Natrona County has got! I apologize for the brag but we should be proud of that much sweat equity! Additionally we treated 1,600 lane miles of County, State and Federal ROWs. We aerially treated 13,187 acres for cheatgrass bring a total of approximately 83,000 acres treated since 2011 (8 years). We removed all the Russian olives from Edness Klmbal Wilkins State Park and the Robertson Road WGFD Access. We put out approximately 8,000 biocontrol insects on 4 noxious weed species. We developed a successful Weed Bounty Program that targeted the common burdock and houndstongue at Rotary Park, Garden Ck. Falls. The public would obtain a clear bag from NCWP, go out and dig the weeds, then bring the to the NCWP for a \$0.50 Bounty. They collected 2.5 tons! We will continue this successful program (see below). We treated over 2,000 acres for grasshoppers in the Bates Hole/Alcova area.

Our mosquito abatement program has come kicking and screaming into the 21st century! We aggressively treat larval mosquitos with a bacterial larvacide to reduce adult numbers. Additionally, we have equipped our adult mosquito fogging trucks with a GPS tracking/logging/data archiving system that tracks the unit real-time, displays and warns the operator when approaching "fog exclusion" areas like bee hives/sensitive individuals/etc. It will generate reports, maps, graphs, etc., etc. This makes for a more efficient operation, protects the environment and community and reduces potential liability to the District.

2019 may prove to be a "grasshopper outbreak" year judging from last year's adult survey and on-the-ground observations and treatments. Because of hatch timing this will need to be accomplished in the current (FY2018-2019) Budget. We applied for and recieved an Emergency Insect Management Grant from the State, albeit with a 30% reduction from our request. You will see that revision from last year's Budget. We have a \$80,000 Emergency Reserve to draw on for this program but that will make us REALLY tight for begining FY2019-2020. Consequently, we will "underspend" our forecasted Special Projects, Operations line item to have enough cash in the bank to fund our early year/high expenditure/low revenue period of July 1 to October. We will gradually try to build up those cash Emergency Reserves in the coming year(s). This coming year's Budget will be tight for cash early because of large grasshopper costs. We will continue the very successful Weed Bounty Program and will partner with the City for a big weed pull in the Platte River Restoration area of the City.

To fund the Natrona County Weed and Pest FY2019-2020 Budget, we do hereby request our funding as provided by W.S. 11-05-111. Thanks.

S-B RESERVE DESCRIPTION

Currently \$105,000 in two reserve funds. Emergency Reserves=\$80,000, we anticipate spending \$80,000 of that on aerial grasshopper treatment(s) in the Bates Hole, Midwest and S. Bighorn areas in the current FY2018-2019 Budget. Depreciation Reserves = \$25,000 for a "sooner rather than later" septic/leach field replacement or other unforeseen infrastructure replacement.

RESOLUTION 2019-1

WHEREAS, the board of directors of the Pioneer Water and Sewer District convened a Special Meeting on the June 20, 2019; and

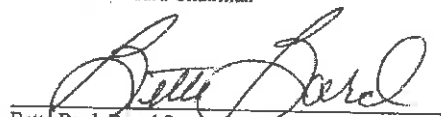

WHEREAS, the board determined that an eight mill levy would be required by taxation and then that said levy together with other revenues will raise the amount required by the District for the ensuing fiscal year to supply funds for paying expenses and the costs of acquiring, operating and maintaining the works, equipment and water of and for the District and for the paying in full of all interests on and principal of obligations of the District;

NOW THEREFORE BE IT RESOLVED that the District requests the Natrona County Assessor in and for Natrona County, Wyoming to levy eight mills upon every dollar of assessed valuation of taxable property within the district and to cause that money to be delivered to the District for the purpose of paying expenses and the costs of acquiring, operating and maintaining the works and equipment of the District and for the payment of obligations of the District.

BE IT FURTHER RESOLVED that a copy of this resolution be delivered to the County Commissioners of Natrona County and to the Natrona County Clerk so that at the time and in the manner required by law for levying taxes for county purposes, such board of County Commissioners shall levy such tax upon the assessed valuation of all taxable property within the District.

RESOLUTION
2019-1

WHEREAS, the Board of Directors of the Wardwell Water and Sewer District Met at a Special Meeting scheduled and held at the District's Office within the District Boundaries on the 5th, day February, 2019 and

WHEREAS, the Board determined that an eight mill levy would be required by Taxation and then that said levy together with other revenues will raise the amount required by the District for the ensuing year to supply funds for paying expenses and the costs of acquiring, operating and maintaining the works and equipment of the District and for paying in full of all interests on principal of the obligations of the District.

NOW THEREFORE BE IT RESOLVED that the District requests the Natrona County Assessor in and for Natrona County, Wyoming to ~~levy eight mill~~ upon every dollar of assessed valuation of taxable property within the District for the purpose of paying expenses and the costs of acquiring, operating and maintaining the works and equipment of the District and for the payment of obligations of the District.

BE IT FURTHER RESOLVED that a copy of this Resolution be delivered to the County Commissioners of Natrona County and the Natrona County Clerk so that at the time and in the manner required by law for levying taxes for the county purposes, such Board of County Commissioners shall levy tax upon the assessed valuation of all taxable property within the District.

Larry Keffer, President

Mark Pepper, Sec. Treas.

Mark Pepper, the Secretary of the Wardwell Water and Sewer District, hereby certify that I am the Secretary of the Wardwell Water and Sewer District Board and that the above Resolution was adopted and passed by unanimous vote at a duly called Special Meeting held at the District's Office within the District boundaries on the 5th day of February 2019.

DATED THIS 11th DAY OF February, 2019
