For Immediate Release

**County fire restrictions apply to Bureau of
Reclamation surface**

MILLS, Wyoming--The Bureau of Reclamation reminds the recreating public that they are responsible for complying with the fire restrictions imposed by the counties when participating in recreational activities on Reclamation surface.

Reclamation recognizes and adopts fire restrictions imposed by the counties in which Reclamation surface is located.

Code of Federal Regulations Title 43 CFR 423.31(e) and 18 USC 3571 require the public to comply with all applicable Federal, State and local fire orders, restrictions or permit requirements.

The following web site may provide current information on fire restrictions in Wyoming counties:

<https://wsfd.wyo.gov/fire-management/fire-restrictions>

###

Reclamation is the largest wholesale water supplier and the second largest producer of hydroelectric power in the United States, with operations and facilities in the 17 Western States. Its facilities also provide substantial flood control, recreation, and fish and wildlife benefits. Visit our website at www.usbr.gov
