TRANSPORTATION SERVICES AGREEMENT
Between Casper/Natrona County International Airport and SkyWest Airlines

This Agreement is made and entered into this ___ day of _____ 2023, by and between SkyWest Airlines, Inc. (“SkyWest”) whose affiliated companies are doing business as Delta Connection, and the Board of Natrona County Commissioners (“County”).

WITNESSETH:

WHEREAS SkyWest will provide nonstop jet service between Casper/Natrona County International Airport (CPR) and Salt Lake City (SLC); and

WHEREAS, SkyWest has agreed to provide such service subject to the terms and conditions hereinafter set forth;

NOW, THEREFORE, in consideration of the premises and of the mutual obligations and undertakings hereinafter set forth, the parties agree as follows:

1. SkyWest will schedule at least one daily Delta Connection-branded round-trip flight on the CRJ-200 between CPR and SLC beginning on January 1st, 2023.
2. SkyWest will provide County monthly statements with a summary of revenue, fuel, and non-fuel related costs, load factors, number of revenue passengers, flight completion information, on-time performance, and any other relevant data concerning flight operations for the Service.
3. At the end of each three-month period during the term of this Agreement, SkyWest will determine, in accordance with standard accounting practices, the following data: average segment fares for the flights in the CPR-SLC market, the number of revenue passengers, the number of operations, and the total block hours operated.
4. For the purpose of determining operating profits/losses attributable to the service, passenger revenue will be calculated as the product of total revenue passengers and average segment fares in the market.
5. Total costs are the sum of non-fuel costs and fuel costs. Nonfuel costs are \$3,881 per block hour. Fuel costs will be the actual fuel costs, including related fueling costs, taxes and fees associated with operating the scheduled service, and any and all discounts, subsidies, markdown, rebate, or other reduction on cost (if any) that may be provided to SkyWest Airlines. If passenger revenue is greater than costs no subsidy is owed for the quarter. In the case that costs are greater than passenger revenue, the difference will be paid to SkyWest as its subsidy for the quarter.
6. SkyWest agrees to maintain at least one daily nonstop roundtrip jet flight each day between CPR and SLC for the duration of this agreement. Some exceptions may be possible on limited days subject to Delta Air Lines targeted schedule reductions in SLC. All frequencies are to be scheduled on a nonstop basis and with jet aircraft providing a

capacity of 50 seats or greater. Operational issues resulting in cancellations will not be billed to the County.

7. Segment profits/losses to recompense SkyWest for the agreed upon service levels will be computed upon the conclusion of each of three-month period and County will reimburse SkyWest within thirty days of receipt of any statement of shortfall. County will reimburse SkyWest for the above up to a maximum of \$880,583 during the term of this Agreement.
8. The term of this Agreement shall commence on January 1, 2023, and terminate on June 30, 2023 or until all subsidy funds have been exhausted, whichever comes first. SkyWest will operate these flights under a codeshare agreement with Delta Air Lines., SkyWest or County may cancel this agreement upon 60 days written notice. The parties have no expectations and have received no guarantees that this Agreement will not be terminated before the end of the Agreement term. The parties have bargained for the flexibility of terminating this Agreement upon tender of the requisite notice at any time during the term of the Agreement. All work and services under the Agreement shall be suspended upon termination of Agreement becoming effective.
9. This Agreement shall be governed by the laws of the State of Utah. Exclusive venue for any claims, suits or any other action arising from or connected in any way to this Agreement, or the performance of this Agreement shall be in Utah.
10. Neither party will be responsible to the other party for its failure to perform its responsibilities hereunder in the event and to the extent that such performance is delayed or prevented for a period of at least fifteen consecutive business days, by any cause beyond its control and not caused by the party claiming relief hereunder, including, without limitation, acts of God, public enemies, war, insurrection, acts or orders of governmental authorities, fire, flood, explosion, riots or the recovery from such cause (“Force Majeure”). Either party may terminate this Agreement immediately if the other Party is unable to perform its obligations hereunder due to any such event, which continues for a period of thirty (30) consecutive days or more.
11. County does not waive and specifically retains all immunity provided by the Wyoming Governmental Claims Act, Wyo, Stat. §§ 1-39-101, et seq., and all other immunity and the right to assert immunities as a defense, except as explicitly waived herein.
12. Charmaine, this should be the same language approved with the first MRG agreement during Eric's time here, with the exception of the amount and dates. Let me know if you have questions. The State (WYDOT Aeronautics) will have this on their agenda (the 40% share) March 14th.
