Natrona County Parks Seeks Input on Casper Mountain Signage

Natrona County, together with their consultants, RDG Planning and Design, have been developing a long-term signage and wayfinding plan to help guide motorists and trail users to the county's parks, trails, and open spaces on Casper Mountain. This effort is an extension of the Casper Area MPO's wayfinding project, completed and adopted in 2020 and is intended to provide a uniform signage system to the recreational amenities on the mountain. We invite you to attend a public open house and provide your feedback on the draft wayfinding system, gateway monuments and trail kiosks.

Please join us at the Natrona County Courthouse Lobby:

- Tuesday, June 15th from 5:00 – 7:00 PM
200 N. Center, Casper, WY

If you have any questions, please contact Michael L. Brown at 307-235-9325
